

FLAWLESS BODY

SKIN ■ BODY ■ LASER ■ AESTHETICS

Skin specialist / Senior Therapist / Senior Aesthetician/ Head Therapist

Full or Part Time position

We are a busy, friendly and well respected Skin, Body, Laser & Aesthetics Clinic based in the centre of Stamford. We have been established since 2006 and as part of our exciting plans for 2022 are looking to grow the team.

We have grown to become one of the largest Clinics in the East Midlands specialising in non-invasive Skin, Body & Laser treatments with some of the biggest equipment and skincare brands in the sector.

This opportunity would suit a Level 3 + qualified individual who wants to grow their expertise and experience in the sector and is competent with at least 3 years experience since qualifying.

We will train in house with clinic director and train with brands and machines we have in clinic.

An industry leading package and training is on offer for the right individual who wants to further their career, is **passionate** about what they do and can offer a truly outstanding client experience.
